

Original teakwooden temple house

- Material : wood
- 525 cm high
- Floor size: 288 cm wide x 209 cm deep
- Maximum sizes (at the roof) : 488 cm wide x 409 cm deep
- This temple house is newly made from high quality teakwood and has original old hand made roof tiles (that come from old houses in Indonesia)
- This Gazebo / Temple will look great in every garden! Possibly with a beautiful Buddha inside it, or with some cushions to relax yourself.
- Very special & unique ! It is the top piece in our gallery!
- At the moment a second piece is being made in Indonesia, exactly the same. This is expected to be ready in July 2023, this new piece will then be delivered.
- Can be shipped worldwide.
- Originating from Indonesia
- Nr: 2899
- Price : 20,000 euro
